# Motoric 26. 11.

Topics for Pin
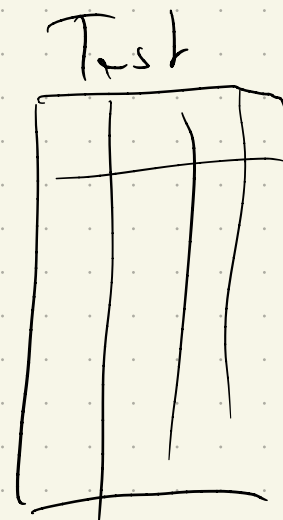

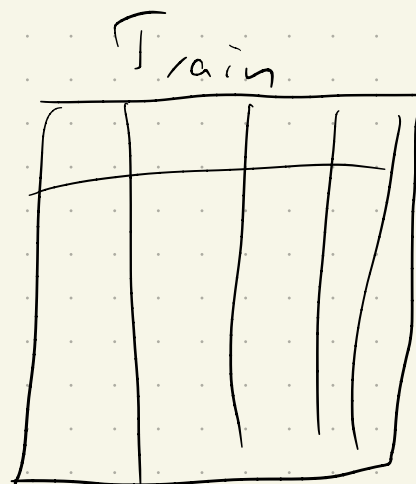

- Progress
- Prototype
- ask if a test has to be taken for children
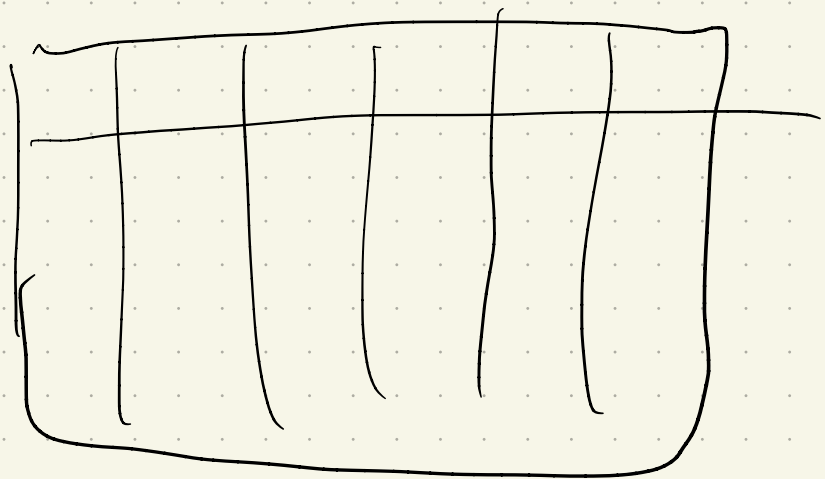

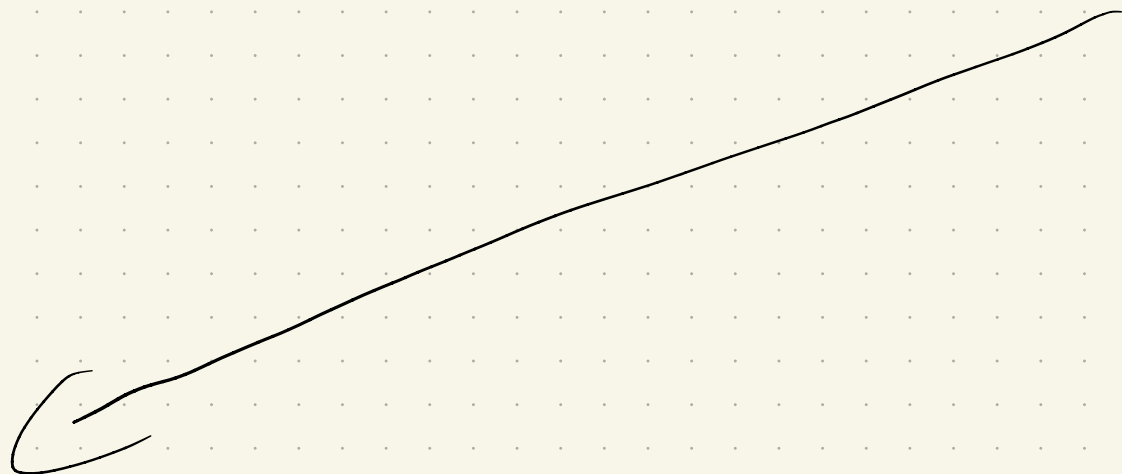

Meeting with Pin

- traffic light system
- location specific for children (zip-code)
  → location based

- MQ-Score is going to be measured
- t2 should be uploaded
- MQ-Score can be used
- idea data for t2 should feed the model
  and hopefully improve it
- What feature have the biggest impacts
